

Moon Chats

→ connecting your intuition ; creating your reality ←

Tarot cards originated from playing cards in the 14th century and quickly spread throughout Europe. They can be used to connect with your intuition and gain a certain feeling or energy about a question or thought you may have. The symbolism, color theory and numerology tell an intuitive story providing clarity, insight, and acting as a tool for self knowledge. Trusting yourself and being open are the only prerequisites!

Tarot Offerings

- ✦ tarot readings are done individually to maintain a grounded and connected energy
- ✦ spreads typically last 15 minutes
- ✦ individual, special events + group readings available
- ✦ contact: moonchats77@gmail.com
